Youth Day at the Anaheim Convention Center

Youth Day is an annual event and will take place on February 21, 2020. All High School students are invited, and many different teens from throughout the Archdiocese-and even nationally-come together to participate in morning and afternoon workshops, liturgy and a rally. Cost is \$50 for food, registration and transportation. This event can be used as a make-up for two sessions with a short reflection piece on the experience.

The idea is to link Confirmation to Baptism. Therefore, the candidate is asked to use her baptismal name. Candidates should spend some time, look up his baptismal name and look into the saint he/she is named after. Some people are named after a popular saint, others are names after the "saints" in one's family. Whatever the case, each candidate is encouraged to look to that saint for guidance and inspiration.

Service Project

Throughout the two years, each candidate will embrace at least one service project. The service project will be anywhere between four hours and the entire weekend. School projects are applicable. Prior to the Rite of Confirmation, candidates will be asked to write a reflection on his/her service.
