

# Make-up for Session 2

## The Two Feet of Christian Service

### Welcome to the Session 2 Make-up

- 1 Select one song that you think speaks to the injustice in today's world. Submit the name of the song, the lyrics and a few sentences about why you chose it.
- 2 Select two newspaper or webpage articles that were printed or posted in 2016. Submit both articles.
  - One of the articles must be about an injustice in the world that has a solution. For example, when children are enslaved to do work without compensation, the solution is to abolish slavery.
  - The other article must be about a teen, who is doing something good for the world.
- 3 In two paragraphs write:
  - In paragraph one, outline the solution for the injustice found in article one.
  - In paragraph two, if you had all the time and resources you needed, share what you would choose to do to make the world better. Show parallels between your dreams and that of the teen in your second article above.

**Please submit song lyrics, the two articles, and your two paragraphs to [dponnet@holyfamily.org](mailto:dponnet@holyfamily.org) by December 24 2016.**
