

Make up for Confirmation 1 Session 1 – Welcome to Your Journey!

In this session, we met our groups for the first time and talked about how this journey towards our Confirmation will go. We did a couple of icebreakers with the group as well as did a timeline for our life up until this point. If you missed this session, please answer the following questions:

Name:

Nick-name (if any):

High School and grade:

City and state or nation of birth:

Favorite food:

Favorite candy:

How long you and your family have been a parishioner at Holy Family:

Take some time to reflect on your life thus far and complete a timeline for your life. If the time in your life was a happy or “high” moment, the line might go up towards the top of the page. If the time was a sad or “low” moment, the line might go towards the bottom of the page. The beginning of the line should be starting from birth and the end of the line should be where you feel you are at this moment.

When complete, take a picture/screenshot of your life line and email the picture/screenshot along with the answer to the above questions to rhernandez@holyfamily.org
